

Real Estate Services

As one of the most complex asset classes within the private capital world, real estate fund operations deserve deep expertise and complete attention to day-to-day workflows. With an experienced team of more than 1,200 dedicated asset class specialists, and an industry leading, integrated real estate technology platform, we can provide the services and processes to help you streamline operations, meet investor demands, and remain compliant across jurisdictions.

With more than two decades of experience in establishing and administering funds, SPVs, and property-owning structures holding a variety of underlying assets, our history means you're in trusted hands.
